## Vinyl Siding

TRADITIONAL BEAUTY IN RICH, CLASSIC COLORS.

Whether you are building a new home or residing in your current one, no detail reflects the personality of a home quite like its color. In fact, the hue you select in siding affects the perception of its size and architectural detail.

- Tough, weather-resistant vinyl — never paint or stain again!
- Finely embossed, authentic woodgrain texture and ultra low-gloss finish
- Durable .044" panel thickness, 9/16" panel projection
- Color-through technology minimizes the appearance of scratches
- Full roll-over nail hem helps resist wind loads up to 215 mph\*
- Luran®S ASA\*\* resin used in Natural Traditions collection adds extra UV protection to deep, rich colors
- Homeowner's Limited Lifetime Transferable Warranty\*\*\*

See dealer for product availability in your area.

\*Check local codes for specific wind load requirements. Actual wind speed can vary depending on building design and location.
