

**VINYL SIDING
AND SOFFIT**

True to you. True to your craft.
by PLY GEM

Product Catalog

TRUEWALL.

True to you.
True to your craft.

Contemporary, traditional, cottage . . . no matter what type of home you're building, TrueWall by Ply Gem is the ideal way to complete the look.

TrueWall Vinyl Siding and Soffit is strong, dependable, a great value and built to last: exactly what today's builders and remodelers need to stay competitive. And, because it's from Ply Gem, one of America's largest manufacturers of vinyl siding, you can count on the quality and support you need to install TrueWall with confidence. Over the last four decades, we've earned a reputation for listening to our clients and delivering quality products you can depend on — all backed by a Limited Lifetime Transferable Warranty.

Designed with you in mind.

- Excellent quality and value
- Limited Lifetime Transferable Warranty
- Engineered for reliable, fast installation
- Solid performance season after season with virtually no maintenance by the homeowner

Engineered to stay beautiful.

- Low gloss finish provides the look of painted wood
- Attractive wood grain texture mimics wood without any of the hassles
- Profile shadow lines create the look of natural wood siding
- Styles and colors to accent any home — traditional, cottage, contemporary

The science behind the strength.

- Color-through technology minimizes the appearance of scratches
- Won't peel, flake, check or craze like paint
- Color is consistent from panel to panel, box to box for color uniformity over one home or dozens of homes

Series 4400 11™

- Grip Tight™ locking system, coupled with a sturdy .044" panel thickness and double thickness nail hem delivers a 222 mph wind load*

- 5/8" panel projection for a more realistic shadow line

- Available in Double 4" or Double 4.5" Dutch Lap
- 24 designer colors
- Luran®S ASA*** resin used to protect select dark colors adds extra UV protection
- Color-through technology minimizes the appearance of scratches
- Limited Lifetime Transferable Warranty
