OVERVIEW

Roseburg has worked with customers and distribution partners to develop a list of the best selling Thermally Fused Laminate (TFL) panels. The result is the Roseburg Duramine® "Best Sellers" Collection. This group includes the most popular designs used by OEMs, architects, designers and homeowners.

RELEVANCE COLLECTION

The designs in this collection work together, are relevant to today's trends, and have broad appeal. Complex grays and neutrals combine warm and cool colors to net a cohesive balance and increase usability.

All Duramine® Best Sellers are readily available via the Roseburg **ENHANCED SERVICE PROGRAM (ESP)**. ESP is a high priority, specialized program developed for Roseburg's customers to provide the right Duramine® Thermally Fused Laminate panels, when you need it and where you want it. ESP is a size, core and design specific program that includes three levels of service. The program offers accelerated service from the mill on our most popular panels. For more information about how this extraordinary service program can help your business, contact your local Duramine® distributor or Roseburg sales representative.

DESIGNED-TO-MATCH PROGRAM

Our Duramine® Designed-To-Match Program is a close match system designed to save you time locating the components you need to complete each project. By partnering with other manufacturers, Roseburg can help you source a complete package that includes:

- Duramine® TFL panels
- High Pressure Laminate
- 3D Laminate and 5-piece Doors
- Edge Banding
- Mouldings and other Complementary Accessories

All of these components are precisely matched to Duramine® solid and woodgrain designs.

WHEN AND WHERE YOU NEED IT

Roseburg Duramine® TFL panels are available throughout North America at some of the largest and most respected wholesale distributors. Please reference Where To Buy on Roseburg.com to find a distributor of Roseburg Duramine near you.

ROSEBURG AND OUR SYNERGY PARTNERS WILL HELP SIMPLIFY YOUR BUSINESS.

Roseburg has partnered with some of the largest and most respected companies in the world to create the Roseburg "Synergy" Partners Collection. This collection complements Roseburg Duramine® Designs and includes over 550 of the most popular designs created by Arclin and Wilsonart*.

* Wilsonart is available in certain markets.
