- Wide range of styles to match a multitude of applications
- Optional custom built-to-order shutter program provides tailored sizes to fit your needs

Outstanding Service.
Unsurpassed Quality.
Remarkable Selection.
It's time to feel at home again.

## shutters

#### Quality Shutters for Any Home

Our high-quality shutters are built to look as good as your home whether it's brick, stone, vinyl siding, stucco or wood.

#### Virtually Maintenance-Free

Ply Gem shutters retain their high quality and vibrant color through the life of your home, and are virtually maintenance-free. We achieve this tremendous quality through our use of advanced UV stabilizers and a tough acrylic coating, which minimize the effects of sun, rain, and wind.

#### Industry-Leading Warranty

All of our high-quality shutters are built to last a lifetime. Ply Gem shutters will not split, crack or peel. In fact, we feel so strongly about our quality that we offer a Limited Lifetime Warranty on all of our shutters.\*

#### A Style and Color for You

Our three elegant panel styles create the perfect fit for your home. Ply Gem offers classic styles like the louvered design, Board & Batten design, as well as the raised panel design. Our shutters are available in 18 classic colors, factory finished to ensure quality and consistency. And when styles change they can also be painted with a high quality latex paint. Ply Gem's durable design allows you to repaint the shutters over again.

to fit virtually any window. If one of our many standard sizes will not work, we can custom make virtually any length of shutter in raised panel and louvered styles to meet your needs.

Variety of Sizes to Fit your Windows Ply Gem shutters come in a wide variety of standard heights and widths Your home is your own

personal retreat. Wrap it in the beauty and elegance of our shutter collection.

\*See warranty for details and limitations.

# Shutter Styles

#### Raised Panel Shutters

Raised panel shutters offer the unique, turn-of-the-century look of the grand homes of the South, but with a contemporary richness and style. Their simple lines create a striking profile to your home that is reminiscent of our early American heritage. Ply Gem's raised panel shutters can be purchased in both custom and standard sizes, and come with our Limited Lifetime Warranty. They can be paired with matching transom tops or arch tops for added height and impact.

#### Louvered Shutters

Nothing gives your home a classic look like louvered shutters. Steeped in the traditions of American history, our elegant louvered shutters provide the perfect finishing touch to your home by capturing the rich, natural woodgrain texture of real wood shutters — but without the splitting, cracking, and peeling. Ply Gem louvered shutters can be paired with arched tops to accent circle top windows.

### Board & Batten Shutters

Open or closed, 3- or 4-Panel, Board & Batten style shutters add a rustic look to any home and are perfect for a variety of design styles, from Country to Craftsman.

Raised Panel

Louvered

Board & Batten Board & Batten Closed Style

Open Style

Beautiful Colors

Ply Gem raised panel shutters are available in 18 beautiful colors, specially selected by our national color expert.

#### **Elegant Arched Tops**

Our arched tops add height and elegance to the shutter's appearance. Available for our 15" standard shutters, these extensions give an added look of richness to your home's exterior.

#### Shutter Accessories

Our decorative hinges and hooks complete the look of traditional working shutters — without the maintenance. Like our shutters, they're fade-resistant and built to last.

## Side By Side, Our Shutters Are Superior By Design

### Details

Ply Gem's tab-free construction, realistic beaded detail and clean edges mimic the look of real wood shutters. Inferior products often use tabs that when removed leave obviously plastic jagged edges.

## Installation

Ply Gem raised panel or louvered shutters offer several installation options: plugs, matching screws or optional hidden fasteners. Both plugs and matching screws are supplied standard with each carton (unlike some of our competitors who provide only plastic plugs). Unique to Ply Gem, our Board & Batten shutters have a hidden installation feature shown above. The batten slides over to hide the screws.

## Authentic

Real beauty comes from realistic woodgrain. Ply Gem accurately depicts the grain of real beveled wood panels on every edge and surface. Our competitors' grain runs in multiple directions, and doesn't extend beyond the shutter face.

## Substantial

Thicker is better. Ply Gem shutters are up to 21% thicker and have up to 1/8" thicker profile than competitor shutters. Our thicker gauge construction adds strength and rigidity for reliable performance and durability. The thicker profile supports greater profile depth that creates realistic shadow lines. Our reinforced construction resists warping and results in a heavier, sturdier shutter. In fact, Ply Gem shutters weigh up to 25% more than the competitor's.

## Durable

Scratch ours and you can hardly tell; scratch theirs and you'll see what they're made of. Our baked on lacquer finish resists fade and retains beauty season after season. Their color-through coating scratches easily and can fade over time. As well as being scratch-resistant, Ply Gem shutters accept latex paint beautifully, so if you want to update your look, you can. Latex paint can peel off competitor's shutters over time.

## mounting blocks

Mounting blocks are used to install electrical outlets, water faucets, light fixtures, mailboxes, house numbers, and even doorbells.

vents

We design vents for a wide variety of uses, with the classic styling and vast color palette that you've come to expect from Ply Gem. All of our vents are specially engineered to prevent intrusion by birds, insects, and animals, and are made to last for years to come.

#### Quality Assurance

Our mounting blocks are built to withstand the toughest weather and retain their color and beauty over the life of your home. They will not chip, crack, or split. All of our mounting blocks are backed by our Limited Lifetime Warranty.

#### Simple to Install

Our mounting blocks have a two-piece design that easily adjusts from ½" to 1½". This feature allows for easy installation over many siding choices, including insulated vinyl siding.

#### A Perfect Color Match

Our mounting blocks are available in over 100 beautiful colors. They can be matched to virtually any vinyl siding color. For color samples, refer to our color chart in the back pocket.

#### Utility Vents

Our utility vents are sturdy and provide excellent cross-ventilation of garages, foundations, and range hoods. The Louvered Exhaust Vent is ideal for removing the moist air of dryers and bathrooms. Intake louvers and soffit intakes work in tandem with the vents to maximize the flow of air, allowing your family to breathe easier. With Ply Gem utility vents, your home not only looks beautiful, but feels fresher.

#### Gable Vents

For the perfect finishing touch to your home, our gable vents are offered in round, half-round, square, octagonal, and rectangular styles to fit the look you want to create — whether it's classic or contemporary. Best of all, our uniquely designed snap-on system is easy to install, helping to keep your attic ventilated and temperate.

#### The Right Colors for You

Any of our vents are available in over 100 beautiful colors. They can be matched to most colors and virtually any siding option. The paintable version can be painted to match any unique color with a high-quality latex paint.

## designer accents

Our mantel and door surround systems are compatible with nearly any style of home. They are simple to install and virtually maintenance-free over the life of your home.

#### Mantel Systems

Ply Gem's mantel systems are not only functional, they are beautiful. Mantel systems give your home a stately appearance by adding height and symmetry to the windows and garage doors. Endcaps and keystones add to the grandeur and are available for siding or brick applications. They are available in a classic design or with an optional dentil trim for a richer appearance.

#### Door Surrounds

Ply Gem's door surround systems welcome your guests with a stately entrance. They can be sized to fit most standard doorways and are built from our special mix of highly durable polystyrene that withstands wear and tear. Our broad selection of door surround systems includes pilasters and mantel or pediment with urn overlays.

#### Customizable Color

All of our Designer Accents are available in classic white, our most popular color. Ply Gem Window and Door Surround Systems can also be painted to custom match any color with a high-quality latex paint and can be repainted over the years as styles change.

# PLY GEM SHUTTERS | ACCENTS

## Color & Style Selection

Choosing the right Ply Gem shutter for your home is easy. First, select the color that complements your home's exterior. Then, choose the style that best suits your personality. Add arch top or transom top extensions for added height and elegance.

Transom Top

Board & Batten Shutters up to 55" length only have two horizontal boards.
\*Available in 4-Board closed, 57" length only.

## Size Selection

Next, determine the size that fits your windows by measuring the Length (A) and Width (B). Use the measuring and ordering guide below to determine the correct shutter size.

Raised Panel or Louvered Arch Tops can be added to circle top windows over 15" standard shutters. The Raised Panel Transom Top can be used over 15" standard shutters to accent a transom window.

Window Length (A)	Window Width (B)					
	24" or less	24" - 26"	36" or more			
25" – 29"	9" x 25"*	12" x 27"*	15" x 25"*			
30" – 33"	9" x 31"*	11" or 12" x 31"	15" or 16" x 31"			
34" - 36"	9" x 35"*	11" or 12" x 35"	15" or 16" x 35"			
37" – 40"	9" x 39"*	11" or 12" x 39"	15" or 16" x 39"			
41" - 44"	9" x 43"*	11" or 12" x 43"	15" or 16" x 43"			
45" - 48"	9" x 47"*	11" or 12" x 47"	15" or 16" x 47"			
49" – 52"	9" x 51"*	11" or 12" x 51"	15" or 16" x 51"			
53" – 56"	9" x 55"*	11" or 12" x 55"	15" or 16" x 55"			
57" - 60"	9" x 59"*	11" or 12" x 59"	15" or 16" x 59"			
61" - 64"	9" x 63"*	11" or 12" x 63"	15" or 16" x 63"			
65" 68"	9" x 67"*	11" or 12" x 67"	15" or 16" x 67" **			
69" - 72"	9" x 71"*	11" or 12" x 71"	15" or 16" x 71"			
73" – 77"	9" x 75"*	_	15" or 16" x 75"			
78" – 82"	9" x 81"*	_	15" or 16" x 81"			
83" – 96"	9" x 83" – 96"*	12" x 83" – 96"	15" x 83" – 96"			

Ply Gem standard shutters are 11", 12", 15" and 16" wide. 9" Louvered shutters are custom orders. Arch and Transom Tops are available in 15" widths only.

Indicates Custom Order

## Ordering Guide

Use the guide below to determine what Ply Gem products you need to order. Designate your color selection by adding the three-digit color code to the end of the item number. (e.g., 27" Raised Panel Standard Shutters with 12" width in White would be listed as "VINRP122711").

DESIGNER ACCENTS SPECIFICATIONS

# The Color of Brilliance

The colors of your home are an important reflection of your personality and taste. They make your family and guests feel welcome. Not only that, the right colors can improve the long-term value of your home.

At Ply Gem, we understand how personal a color choice can be. That's why we teamed with a national color expert to select the colors that are most attractive, desirable, and flexible to use in exterior accents. In fact, most of our accents can be paired with over 100 different siding colors.

Not only that, our engineers went one step further to create colors that will last and last, blocking penetration from sun, wind, and rain. Our colors will retain the fresh look of a new paint job, year after year. The result is beautiful fixtures that are virtually maintenance-free.

In addition, if you need a custom color, many of our exterior accents can be painted to match the current color scheme of your home with a high-quality latex paint. It's the ultimate finishing touch to match your style.

### Beautiful On Your Home - Sustainable For The Planet

Ply Gem can help you meet your sustainable building goals and earn points in leading green building certification programs. Our products offer features that positively contribute to sustainable building practices, improved energy efficiency or life cycle benefits of homes. It's all part of the Ply Gem Enviro Initiative, a company-wide commitment to minimize our impact on the environment.

#### SUSTAINABLE RESOURCES:

- When installed and used properly,
   Ply Gem products never require
   paint or stain which reduces
   VOCs released into the atmosphere.
- Ply Gem facilities reuse and recycle pallets and packaging material, reducing raw material needs and landfill use.
- Ply Gem works with its suppliers to recycle as many materials as possible, including cores, cardboard padding, paint totes, batteries, light bulbs, toner and paper.

#### ENERGY EFFICIENCY:

- Ply Gem products are lighter, so they require less fuel to transport, which uses fewer resources and generates less pollution.
- All Ply Gem facilities do their part to conserve energy by doing simple things like turning out lights on weekends and during shutdowns.

#### LIFECYCLE BENEFITS:

 Ply Gem Shutters and Accents use thicker construction and a baked lacquer finish to ensure that they hold up well season after season.

## enviro snap shot

Ply Gem is an active member of USGBC and NAHB — two key industry organizations that are working to define sustainable building practices.
