## CONTENTS

### CONCRETE ACCESSORIES

#### OVERVIEW ..... 3

#### ANCHORING ..... 4-10

|                      |      |
|----------------------|------|
| Anchor Bolts .....   | 5-7  |
| Square Washers ..... | 7-8  |
| Threaded Rod .....   | 8-10 |

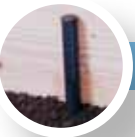

#### WIRE PRODUCTS.....12-15

|                  |    |
|------------------|----|
| Bar Ties .....   | 13 |
| Tie Wire .....   | 14 |
| Bundle Wire..... | 14 |
| U-Hank Wire..... | 15 |

#### FORMING ..... 16-18

|                     |    |
|---------------------|----|
| Nail Stakes.....    | 17 |
| Duplex Screws ..... | 18 |
| Duplex Nails .....  | 18 |

#### BAR SUPPORTS ..... 20-27

|                               |    |
|-------------------------------|----|
| Lower Bar Supports .....      |    |
| Continuous High Chair .....   | 21 |
| Slab Bolsters.....            | 22 |
| Beam Bolsters .....           | 22 |
| Upper Bar Supports .....      |    |
| Continuous High Chair .....   | 23 |
| Slab Bolsters.....            | 24 |
| Beam Bolsters .....           | 24 |
| Individual Bar Supports ..... |    |
| High Chair .....              | 25 |
| Rod Chairs (#2 and #3).....   | 26 |
| Bar Chair .....               | 26 |
| Joist Chair.....              | 27 |

#### JOB SITE ACCESSORIES..... 28-29

|                                  |    |
|----------------------------------|----|
| Rebar Caps.....                  | 29 |
| Bar Tie Twisters.....            | 29 |
| Tie Wire Reel.....               | 29 |
| Misc. Job Site Accessories ..... | 29 |

## STEELLINX® LABEL COLOR GUIDE

### GENERAL CONSTRUCTION

### OUTDOOR CONSTRUCTION

### STAINLESS STEEL

SteelLinx® makes it easy to select the optimal finish for your project with their color-coded packaging and point-of-purchase displays.

## Concrete Accessories

Stronger structures through superior technology.

The construction industry is always looking for new technology to create structures that are more cost-efficient, more flexible, and more durable. Concrete construction is at the forefront of new and innovative building materials used today.

SteelLinx Concrete Accessory products include comprehensive lines of concrete forming, fabrication and job site accessories. Additionally, as the nation's largest distributor of rebar and remesh you can depend on BlueLinx to have everything you need at the most competitive price.

## Anchoring

- Anchoring products can be either embedded in curing concrete, or installed afterwards
- The intent is to fasten, hold, or hang materials such as studs or pipes to concrete structures

# SteelLinx<sup>®</sup>

Your reinforcements are here

From rebar to poly film, you can rely on SteelLinx as your single source for concrete construction products. And as with all our products, you can count on the most competitive price and the dependable BlueLinx service you know and trust.

## Rebar & Remesh

As one of the nation's largest distributors of rebar and remesh, at BlueLinx we connect you to one of the most comprehensive lines of concrete forming, fabrication products and accessories. Our extensive product selection means you can rely on one supplier who understands your business and works with you to deliver the products you need.

## Forming Lumber

Choosing BlueLinx lumber for your next cement forming project, means you're not only using a quality product that can stand up to multiple use, but it also makes efficient use, of natural resources. BlueLinx deals in many Forest Stewardship Council (FSC) wood products which supports continued growth in our forests as well as the building industry.

## 3M Products

BlueLinx is proud to be an authorized wholesale distributor of 3M<sup>™</sup> products. We offer a wide selection of 3M<sup>™</sup> innovations that include tapes, adhesives, abrasives, and safety products. With low minimums, short lead times and a vast selection of available products, BlueLinx is your single source for all of your 3M<sup>™</sup> construction needs.

Call your BlueLinx rep. for more information on all our concrete accessories.

# SteelLinx®

## Bar Supports

- Designed to hold reinforcing steel in position while the concrete is poured and sets for a variety of applications including slab, tilt-up, precast and D.O.T.
- SteelLinx metal bar supports are manufactured to meet or exceed the recommendations of the (CRSI) Concrete Reinforcing Steel Institute
- Plastic bar supports are manufactured to strict tolerances from recycled resins and available in various shapes to serve the same purpose as wire bar chairs
