

THE NEXT GENERATION

moistureshield.com

THE BEST GETS EVEN BETTER

MoistureShield® decks have always provided a unique combination of rich beauty and proven performance.

Our premium composite decks come in a variety of natural wood tones — and now you can choose from our newly expanded collection of rich colors and finishes to satisfy your design sense.

But this beauty is not only skin deep. Our advanced total encapsulation process defends our boards against moisture all the way to the core. We're the only decking engineered tough enough to be installed on the ground, in the ground or underwater. This innovative vision is why in our long history, we've never had a field failure. And it's why we proudly stand behind our product with a lifetime warranty, the best in the industry.

NOW YOU CAN HAVE IT ALL.

THE MOISTURESHIELD® DECKING FAMILY

Why struggle when choosing your decking material? Our family of great products offers you the right options to fit your style and budget while enjoying the great outdoors. Choose our **Essential Collection®**, the best value for your light residential construction, our **Vantage Collection®** an even more durable reversible board that is easy to install, or our new **MoistureShield® Pro** for an added layer of protection.

Our exceptional decks are extraordinarily different. Built to be tough yet beautiful, they inspire care-free living while making a statement.

Featured benefits include:

- **Total Encapsulation**, our unique manufacturing process
- **Durable Decking**, stands up on the ground, in the ground or underwater
- **Environmentally Friendly**, no harmful chemicals and 95% recycled content
- **Easy to Install**, does not require staining, painting or sealing
- **Tailored to Your Needs**, available with or without grooves to accommodate hidden fasteners
- **Beautiful**, natural wood grain texture to match the variety of natural wood tones
- **Innovative**, stain, fade, scratch, mold and mildew resistant

MOISTURESHIELD® VANTAGE

MoistureShield® Vantage is one of the most innovative composite decking materials on the market. Enjoy the look and workability of wood, but with more water resistance, more durability and less maintenance. Available in a solid profile, our reversible boards feature a natural wood-grain texture on both sides, allowing use of either side for easier installation. In addition, the planks come with or without grooves to accommodate hidden fastening systems.

- 1" x 6" Deck Board
- Length: 12 feet, 16 feet, 20 feet
- Transferable Lifetime Warranty
- Install on the ground, in the ground or underwater
- Available grooved and non-grooved
- Natural wood-grain texture on both sides
- Available in 8 colors

MOISTURESHIELD PRO

WE DIDN'T HAVE TO, BUT WE DID.

MoistureShield® has always been protected to the core. Now our new MoistureShield Pro line adds an extra layer of protection and beauty. Essentially it's our already durable Vantage board with a smooth, protective covering. A new era of carefree outdoor living is here.

- 1" x 6" Deck Board
- Length: 12 feet, 16 feet, 20 feet
- Transferable Lifetime Warranty
- 25-year Fade and Stain Warranty
- Enhanced Slip & Scratch Resistance
- Install on the ground, in the ground or underwater
- Available grooved and non-grooved
- Available in 3 distinct rich colors

LIFETIME WARRANTY

Straightforward, industry leading warranty against rot, decay and termite damage.

INNOVATION

Stain, fade, scratch, mold and mildew resistant.

MOISTURESHIELD® ESSENTIALS

Looking for better performance and value across the board? MoistureShield® Essentials' narrow profile offers the innovative durability of MoistureShield at a more affordable price. It's perfect for lightweight residential construction. Essentials decking features a deep-embossed wood grain texture on both sides allowing the board to be reversible and easy to install.

- 1" x 5" Deck Board
- Length: 12 feet, 16 feet, 20 feet
- 20-year Warranty
- Installs on the ground, in the ground or underwater
- Available grooved or non-grooved
- Natural wood grain texture on both sides
- Available in 5 colors

PROTECTION TO THE CORE

The only decking product that can be installed on the ground, in the ground or underwater without voiding the warranty.

MoistureShield™

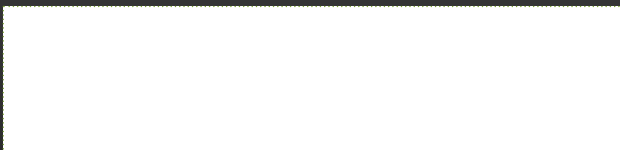

OUR COMMITMENT TO YOU

Professional builders have come to rely on the value and consistency for which A.E.R.T. products are known. For more than 25 years, we've offered beautiful and long-lasting decking products that resist swelling, rot and termites. During that time, our products have never had a field failure – a benefit that sets us apart from other composite decking brands.

EARTH-FRIENDLY

Made from 95% recycled content, our products can help you earn credit in LEED® green building rating programs. Even our state-of-the-art 70,000 square-foot plastic recycling facility is designed with LEED certification, and the U.S. Environmental Protection Agency awarded us with the EPA Region 6 "Partnership for Environmental Excellence" Award.
