DOCK FLOTATION

Cellofoam's PERMAFLOAT® Dock Flotation

PERMAFLOAT® Float Drums offer durable flotation that can be easily attached to any new or existing wood, steel or aluminum dock system.

PERMAFLOAT® Float Drums are rotationally molded, eliminating seams that can result in separation and leakage. The nominal .150" thick shell is made of prime virgin polyethylene with ultraviolet inhibitors. This tough shell withstands damage from the sun, saltwater, fresh water, debris, gas and marine organisms. Suitable for Residential and Commercial applications.

Quick Facts

- Easy to install
- Highly cost effective compared to concrete systems
- Extra wide ribbing provides easier tool access
- Available in a variety of sizes to meet your specific needs
- Seamless rotationally molded polyethylene shell
- Industry Leading 15 Year Warranty
- FLASH DOT® reflector takes guesswork out of night docking
- EPS Foam Filled
- ACOE Approved
- Tank Tested Buoyancy Ratings +0/-5%

All dimensions are nominal
subject to manufacturing tolerances.
Top view typical of all 48" x 96"
floats with the exception of the
32" deep model.

15 YEAR WARRANTY

Permafloat® 15 YEAR WARRANTY

EFFECTIVE 6/1/2008
NEW STYLE (08) PERMAFLOAT ONLY

Cellofoam North America Inc ("Manufacturer") warrants our encapsulated flotation, to the original owner ("Purchaser"), against cracking, peeling, sloughing, and excessive deterioration from ultraviolet rays while retaining resiliency under normal usage for a period of 15 years. The first 11 years are non-prorated. Years 12, 13, 14 and 15 are prorated at 40%, 30%, 20% and 10% of the original purchase price respectively. Defects in workmanship are warranted for a period of 1 year.

Purchaser's remedy is expressly limited to repair or replacement of the defective encapsulated flotation. Determination of a product defect is solely at Manufacturer's decision. At Manufacturer's election we will repair, replace or credit Purchaser with an amount not to exceed the original purchase price or portion thereof based on the above scale of prorated coverage. Purchaser shall, within 10 days of discovery, send written notification and the original proof of purchase, to Manufacturer by registered or certified mail of any claim under this warranty. Purchaser will provide Manufacturer with an opportunity to inspect the encapsulated flotation as necessary by returning prepaid to Manufacturer's Conyers, GA plant. In no event shall Manufacturer be liable for any defective encapsulated flotation should examination reveal misuse, negligence, alteration, ice damage, accident, improper installation, overloading, maintenance, repair or acts of God.

Manufacturer makes no representation or warranty of any other kind, expressed or implied with respect to the product(s) sold hereunder as to merchantability, fitness for any purpose, or legality of use in any jurisdiction. Manufacturer shall not be liable for any loss of use, cost, fees or any liability for direct, indirect or consequential damages or delays. No other person, firm or corporation can bind Seller to any warranty other than herein above stated.

The laws of the State of Georgia shall govern this limited warranty.
