NANOTECHNOLOGY PROTECTION: Provides superior resistance to wear, staining and scratching

WEAR LAYER: Transparent heavy-duty vinyl film for maximum durability

NATURAL HARDWOOD PATTERN: High resolution printed film replicates the look and feel of natural hardwood flooring

FIBERGLASS MESH: Provides dimensional stability and ensures a flat, easy installation

PREMIUM 100% VIRGIN VINYL CORE: Premium virgin vinyl core adds consistent quality you can count on for a reliable installation. **Containing no recycled content***

*Recycled vinyl can often contain mercury, heavy metals, and other hazardous substances.

This versatile collection of woodgrain styles are available in beautiful surface finishes. Incredibly realistic replications of natural hardwood materials.

Ideal for most locations within a home or commercial environment including wet areas such as baths, laundry rooms and kitchens. Suitable for below-grade (basement) applications.

LIFETIME Residential Limited Warranty
10 Year Commercial Limited Warranty
