YOUR BARRIER OF PROTECTION
AGAINST THE ELEMENTS.

PROLinx® Select is the best weather barrier available for projects requiring standard weather protection. Woven fabric construction provides exceptional strength and durability at a low weight. Balanced breathability and reliable water-resistance combine to make PROLinx Select the best value in commercial-grade weather protection. PROLinx Select is also UV-stable to resist degradation for up to 300 days when exposed to the elements.

PROLinx Select is available with BROADCAST™ custom printed advertising. Now you can custom print PROLinx Select in full color with alternating messages in the industry’s smallest minimum quantities.

Strong & Durable: PROLinx Select is cross-woven to resist tearing around fasteners and will endure tough jobsite conditions during installation.

Moisture Protection: PROLinx Select is water-resistant and provides reliable protection in finished wall assemblies.

Breathable: PROLinx Select is designed to help moisture vapor easily escape the wall assembly.

Stable: PROLinx Select is treated to resist excessive degradation from normal UV exposure for up to 300 days. It can be left exposed for two to three times longer than comparable competitor products.

Simple Application: Lightweight yet durable, PROLinx Select is translucent which makes locating studs, openings, and corners quick and easy.

Meets Building Codes: PROLinx Select is rated for commercial projects. It meets or exceeds applicable building codes for weather resistant barriers and creates a healthy, energy-efficient building.

PROLinx Flashing and Sheathing Tapes are also available. 10-Year Limited System Warranty
Professional contractor grade for moderate to severe weather is the finest in the industry. It turns passersby into an audience, and a building into a billboard – a vivid, multi-colored multi-messaging platform with endless revenue generating possibilities. BROADCAST custom printing leads the industry with the following features:

**Full Color:**
A full range of vivid colors.

**Maximum-size:**
The largest printing area available.

**Alternating Messages & Images:**
Select multiple messages for your building wrap.

**Flexible Order Size:**
Orders as small as eight rolls, and as large as needed.
