

The Advantage of Having BlueLinx Work for You!

- **NATIONWIDE TEAM THAT UNDERSTANDS YOUR BUSINESS** – We have a dedicated BlueLinx Multi-Family Team, with combined industry experience of over 100 years.
 - **SINGLE POINT OF CONTACT** – For all quotes and product needs across the nation.
- **WE OFFER DIRECT SHIP AND OUT OF WAREHOUSE PRICING ON PRODUCTS FOR YOUR SPECIFIC JOB.**
- **UNPARALLELED VENDOR SUPPORT** – BlueLinx and our manufacturing partners provide more than just products.
 - Team of knowledgeable industry experts provide tailored solutions to meet your project needs.
 - We engage our vendors for product support, field support, data sheets, and more.
- **ENGINEERING SOLUTIONS** – offering valuable engineering suggestions and work arounds for the unique needs of your projects.
 - Provide EWP takeoffs for your projects (2 to 7 day turn around depending on scope)
- **RE-LOAD SERVICES** – No need to put material on a jobsite because the mill will no longer hold it.
 - Competitive rates
 - Worry free material management
 - Kept in our secure warehouses
 - Trucks shipped when you need them with whatever product mix you need
 - Dedicated warehouse space, with inventory reports on request
- **MILL DIRECT OR OUT OF WAREHOUSE DELIVERIES** – to meet your project schedule needs.
- **PROOF OF DELIVERIES** – Available online with your own personal secure log-in for out of warehouse shipments.
- **WE REPRESENT YOU** – with your customers and our vendors.
 - Creating a strong distribution partnership to your customers that they can trust.
