TOOL PACK

QuickPanel® Systems include a tool pack, inclusive of everything needed for installation.

INSTALLATION SUPPORT

A full project management and on-site installation training team is ready to assist in any way possible to ensure that every job is executed, not only correctly, but efficiently, saving you time and money.

NO CHARGE SAMPLES^a

Request a QuickPanel® sample board for no charge, and have it shipped right to your door.

NO CHARGE ESTIMATES

Our in-house estimation team provides timely, accurate, and free take-off and cost estimates with purchase for QuickPanel® customers.

PRODUCT & PERFORMANCE WARRANTY

QuickPanel® Systems are ultra-durable and backed by a long-term 15 to 30-year product and performance warranty.

The most modern features on the market

WIND LOAD TESTED

Proven performance in harsh weather conditions. QuickPanel® Systems withstands (ASTM E330) wind load tests exceeding 99.84 psf shielding your structure in the strongest winds.

FIRE RATED PANELS

QuickPanel® panels consist of two sheets of coil coated 3000 series or 5000 series alloy aluminum bonded to a mineral filled fire resistant (FR) core.

UV PROTECTED

QuickPanel® panels are sealed with paints specially formulated to defend long-term against ultraviolet (UV) radiation, staining, dirt, chipping, peeling, and fading.

COMPRESSION ASSEMBLY

QuickPanel® Systems can accommodate up to 5/8" of building compression between floors.

NO FACE FASTENERS

Deliver a smooth, clean, and modern aesthetic without unsightly face fasteners.

EZ.LOCK®

EZ.Lock Trim Technology allows everything to be measured and cut on-site eliminating the need for any off-site fabrication, and makes installation fast and easy.

EZ.SLOPE®

This patented technology provides revolutionary water-management and drainage to reduce your total maintenance time and cost.

COLORMATCH™

QuickPanel® Systems are only limited by your imagination, offer a wide-range of standard color options, and can easily accommodate custom colors.

Designed by Architects. Engineered by Building Scientists. Proven by Installers.™

Comprehensive customer support throughout North America. Our team of industry professionals is equipped to assist you—regardless of location.
